

Grade: 2nd

Subject: Language Arts

Expectation(s): Can identify the root, prefix, and suffix of a given word

Materials needed: Attached worksheet

Teaching and learning tips/strategies:

- Ask your student to compare and contrast the way different suffixes change the meaning of a root word (e.g. farmer vs. farming, careless vs. careful)
- Read a story and have your student try to find all the words with suffixes
- Don't forget to praise your student's efforts!
